VOICE

Write like someone standing next to the thing they built, not someone pitching it.

Curious · Independent · Builder-first. "I", never "we". British spelling. No exclamation marks.

Made for someone.	Solutions for every need.
Not in the ledger.	Oops! Something went wrong!

FIVE PRINCIPLES

The work goes first. Lead with something built.

Clay is the full stop. Logo only.

Paper and ink. No gradients, no shadows.

Every claim has a link. Show where to check.

Motion confirms. Once, then still.
